

DAKOTA THEATRE

THE PERFORMING ARTS ARE UNITING YANKTON!

Please join this important effort as a MEMBER today!

WOW, WHAT A YEAR it's been for our amazing Dakota Theatre! We are making plans to refurbish our beautiful 1902 playhouse, and we also have an exciting theatre schedule! Now all we need is YOU as a member to make this work for our town!

Please join this exciting effort. Our mission is to bring the greater Yankton area together through the performing arts. I see this happening constantly as performers, young and old, gain confidence and life skills through drama, music and dance.

Few cities in America have a beautiful 123-year-old Art Deco theatre as a downtown centerpiece. However, what happens inside — in our hearts and minds — is even more important. We are thankful for our hard-working Onward Yankton board of directors and our many volunteers.

We also thank YOU for considering a membership. Please return this form to join today. Call us at (605) 665-4711 if you have any questions or wish to join by phone. You can also join on our website, dakotatheatre.org or drop this form off at 328 Walnut in the downtown Meridian District. Member benefits include: early admission/first choice seating to Dakota Theatre produced events and 10% off concessions (excluding alcohol), merchandise items and Dakota Theatre produced special events.

Together let's make Yankton even BETTER through the arts!
