

Sponsorships “keep the lights on” and allow Yankton’s Dakota Theatre to continue to provide a variety of entertainment and educational opportunities to area community members and youth. Your sponsorship helps to cover essential costs and allows us to expand programming, create community partnerships, and offer free entertainment options—ensuring that everyone in the Yankton area and the downtown Meridian District benefit from this fabulous historic theatre. Since 1902, when the Yankton Opera House first opened its doors, this theatre has connected generations—past, present, and future. We couldn’t continue to operate without community support and we deeply appreciate your time and consideration. Join us in making 2025 an incredible year! **Select a sponsorship level below** and be part of the story. Sponsors are listed in every Dakota Theatre production program.
